

Hi All –

At this point, my designs are only available by email. I know I should figure out the auto download thing, but life got a little crazy faster than I thought it would. Or maybe I just didn't think. LOL.

I was receiving so many emails requesting which patterns I had, I finally decided to post a pdf them. You are more than welcome to download the pdf.

If you choose to purchase any of these patterns, simply send me an email at [quiltjulie10@verizon.net](mailto:quiltjulie10@verizon.net) and let me know which patterns you'd like. Please identify the patterns by letter. It's easier.

There are a total of 11 border patterns, and 5 border patterns. They are \$5 each, or \$85. However, if you order all 16 patterns, I will offer the package at a discount of \$70.

I only accept PayPal and personal checks. If you choose the PayPal option, I will send you an invoice through PayPal. As soon as PayPal notifies me that you have paid your invoice, I will email your patterns to you.

If you choose to send a personal check, please make it out to **Julie Lawson**, and mail to:

Watauga, TX 76148

Please include your desired patterns, identified by letter, and your email address with your check. As soon as I receive your check, I will again email your patterns to you.

I'm relatively available by email with the small exception of significant time zone discrepancies. If you need your patterns for a specific quilt and timing is important, please let me know that and I will do everything I can to accommodate you.

Thank you for your interest. I really appreciate it!
